TANGLE'S GREAT REPUBLIC.

HITCHCOCK FILLY WINS UNDER THE WHIP IN THE LAST STRIDES.

Peter Pan, Added Starter, Takes Hopeful Stakes for James R. Keene—Grandpa the Victor in Shillelah Steeplechase—Tremendous Crowd.

Saratoga, N. Y., August 18.—This was the banner day of the season and probably the greatest in the history of racing at Saratoga. The Great Republic Stakes and the Hopeful Stakes, two of the richest turf fixtures in America, were decided today. The stands and lawns proved totally inadequate to comfortably accommodate the vast crowd that thronged the historic enclosure. All records for attendance were far eclipsed. Dozens of special trains crowded with turf devotees from the surrounding towns helped to swell the grand total of persons present to 25,000. The delegation from New Amsterdam alone was 2,000. All of these went home broke. They backed Mohawk II. to a man to win the big race and he finished last. Francis R. Hitchcock's Tangle, the 7 to 10 favorite unexpectedly won out under the whip in the last couple of strides when an instant or two before her backers had given up all hope. Miller rode Gallivant, the disturbing factor in the race, with so much skill and vigor that the Wilson horse appeared all over the winner when beginning the final one hundred yards of the trying mile and a quarter journey. Whimsical, after making the pace for nearly a mile saved a good third and will be hard to beat from now on. Go Between, in the colors of his new owner, E. R. Thomas, lacked sufficient preparation and failed to stay. It was only a mild workout for this great horse. He never looked better.

Peter Pan, the added starter, won the Hopeful Stakes, the rich two-year-old fixture, at six furlongs. Jimmy Rowe changed him as the Keene stable's second string, withdrawing Mentha at the last moment. The shift was made with unexpectedly good results. The experiment of running the big Commando colt in blinkers worked the marvelous improvement that he developed in the race. The victory of Peter Pan was a stunning surprise to every one except his trainer, who was prepared for it and declared that the youngster only showed his true form for the first time in his career. It was apparent early in the running that the despised topweight had the measure of his opponents and his victory was doubly acclaimed because he carried the idol of the crowd, Pope Joan, the best liked one of the Keene entry, with him in his victorious career.

The unexpected result of the Shillelah Steeplechase over the full course when Grandpa was returned an easy winner, was greeted with silence. It was not a popular victory. False reports had been sent out as to the condition of W. C. Hayes' jumper right after his last race and the majority of racegoers inclined to the belief that the racing of this splendid cross-country performer had resorted to sharp practices. Neither would the success of El Cuchillo, the runner-up, have been hailed with delight in view of the suspicious looking ride he received at Brighton Beach when he was beaten by third rate riders like a superior class two-year-old from a big field in the opening at five and a half furlongs. Entered to be sold for \$1,500, Robert Tucker bid him up to \$3,000, at which price U. Z. DeArman let the colt go.

California King, ridden by the crack gentleman rider, Mr. Tucker, won the mile race for amateur jockeys. Wishart's horse was heavily backed at short odds and the result was never in doubt after going the first furlong. From a time standpoint it was noteworthy and probably establishes a record for the distance in a race of this character.

H. B. Dureya scored one of his rare victories with Ben Ban in the last race at six furlongs. Barney Schreiber's Nealon, which finished a close third, should have won.

The great two-year-old Water Pearl, which trainer Joyner yesterday pronounced all right, was suddenly taken ill today. His ailment is diagnosed as inflammation of the stomach. The Paget colt is now an improbable starter in the Futurity.

Accountant worked an easy mile and a quarter between races today and the Brady colors up in preparation for next week's Derby.

AL FRESCO DIES AT MONTROSE FARM.

Lexington, Ky., August 18.—Al Fresco, the eleven year old son of Eolus—Gladiola, died a few days ago of locked bowels at Montrose Farm. Major P. P. Johnston bought Al Fresco in November 1904, at the closing out sale of the late Hardy B. Durham's Horse Haven Stud and his oldest get now at Montrose Farm are yearlings. Al Fresco was a winner at two years old; a stake winner of nine races as a three-year-old and a winner of six races as a four-year-old in 1900. He did all his racing in the colors of Tony Licata, and among his creditable races were a mile in 1:42, a mile and seventy yards in 1:44, a mile and an eighth, twice, in 1:53, and a mile and a quarter in 2:07. Major Johnston secured Al Fresco for the stud because of the success of Eolus' sons as sires, such stallions as Russell, Morelo, Eon, Knight of Ellerslie, St. Saviour and Merry Day being by the famous Virginia horse. Al Fresco is succeeded at Montrose Farm by the American-bred English stake winner Omaha II., a son of Watercress and Orange Leaf, which Major Johnston purchased some time since from Henry M. Ziegler.

BURGLAR SHOT AT WHITNEY HOME.

New York, August 18.—Three burglars made a bold attempt to rob the country home of Harry Payne Whitney in the Wheatley hills, near Roslyn, L. I., early today. Henry Piper, a watchman, heard the men on the porch. He slipped to the rear of the house, where he came upon two of the men. Piper fired several shots at them and is sure he hit one of them. Piper says that the third man ran around from the front of the house and dragged the injured man away with them. Mr. Whitney and his family are in Europe.

ADVANCE GUARD'S GOOD LOOKING GET.

The first crop of foals by Advance Guard are at Woodburn Farm in Kentucky and they are said to be rare good lookers. Kentucky breeders are now figuring that perhaps they made a mistake in letting the famous campaigner pass out of the state and it is now thought time will prove that the New York Bureau of Breeding has secured in him a jewel of a sire.

CONDENSED HISTORY OF THE KENTUCKY STAKES.

The Kentucky Stakes, to be run at Saratoga tomorrow, is now a stake for two-year-old fillies, but when first run thirty-six years ago it was a mile dash for two-year-olds of both sexes and was then carried off by the famous Harry Bassett, one of the greatest racers that ever stepped on a racetrack in any country. The distance was reduced to three-quarters in 1877 and the race was run at that distance until 1895, when it was dropped from the Saratoga stake list by the demoralizing Walbaum administration. The stake was revived and made one for fillies exclusively when Mr. Whitney and his associates gained possession of the track and restored it to popular favor. Its honor list of winners shows many great names besides that of Harry Bassett. Of the old-timers, Sue Ryder, Battle Axe, Parole, Susquehanna, Pride of the Village, Uncas, Bramble, Onondaga, George Kinney, Quito, King Fox, Emperor of Norfolk and Santiago were all racing stars of rare brilliancy. The history of the event is as follows:

RESTORATION'S IROQUOIS HOTEL STAKES.

Big Crowd Sees the Sport at Fort Erie—Tickle's Race May Be Investigated.

Buffalo, N. Y., August 18.—A large half-holiday crowd was at Fort Erie today. The Iroquois Hotel Stakes, carrying with it a value of \$1,200, was the feature. Restoration, from the E. S. Gardner stable, won it easily. Restoration, coupled with Charlie Gilbert, was the choice. Every horse in the race was well supported.

Messrs. Waters & Malcolm, J. H. Valentine and Ed Glasco shipped their stables to Windsor this afternoon, while C. C. Van Meter, Allan Steele and Vic Henderson sent their strings to Douglas Park, Louisville. Henderson will book at Douglas Park. Butinskie will be rested up, while the firing irons will be applied to Kurtzmann.

Hamilar, which was carded to start in the fifth race, broke down while being exercised this morning and will be retired for the season.

W. O. Farmer left for Saratoga last night. He went to attend the sale of his yearlings, which will be held Monday.

General W. T. Townes, of Virginia, who has been racing a small stable at Kenilworth and Fort Erie, arrived yesterday and arranged to ship to New York. J. W. Pangle has had charge of the horses he has been racing here, which includes, among others, the promising two-year-old filly, Workmaid. Jockey Dealy, who had the mount on Wexford, was fined \$25 and suspended for the remainder of the meeting for rough riding. He interfered with Solon Shingle at the turn into the homestretch, where he carried the latter a bit wide.

Tickle's exhibition in the first race was much below the form she displayed in her two previous efforts and there was some talk after her race today of an investigation. Her trainer, Carter Hall, was as much put out over Tickle's poor race as were the people who backed her.

MONEY-EARNING STEEPLECHASERS.

Here is a record of the performances of the principal winners among the steeplechase horses this year:

Horses.	Sts.	1st.	2d.	3d.	Unp.	Amt.
Good and Plenty	4	3	0	0	1	\$14,455
Hylas	8	3	0	2	3	9,720
Hercule	3	2	0	1	0	9,715
Grandpa	7	2	3	1	1	9,575
Balzac	6	2	0	0	4	6,205
Scornell	12	2	0	3	7	4,680
Kassell	17	8	0	1	8	4,355
Alfar	6	1	0	1	4	3,925

BILLY MEYERS IS PERMANENTLY ENGAGED.

Billy Meyers, who was in charge of the track during the recent meeting at Rockingham Park, has been engaged as permanent superintendent. It is understood that he has arranged to go to New Orleans and take up his work on the Crescent City track the coming winter. He worked winters there last winter and his services will be appreciated again. His success at Harlem and Oaklawn was likewise marked.

PROPOSES A MEETING AT HELENA, ARK.

Memphis, Tenn., August 18.—B. J. Cunningham has secured an option on ground at Helena, Ark., and has made all arrangements to open a new racetrack there, where a six-day meeting will be held during October. The Helena meeting will precede the usual winter meeting at New Orleans, and dates convenient for horsemen who usually journey south after the close of Latonia will be chosen.

BALLET'S THREE LIVING DAUGHTERS.

Peg Woffington, owned by T. C. McDowell; Elizabeth L., the property of Harry Payne Whitney; and Thundercloud, owned by George H. Clay, are the only living daughters of Ballet, one of the most famous of American thoroughbred matrons. Elizabeth L. is the youngest of the trio. She is sixteen years old. Peg Woffington is now twenty-one and Thundercloud twenty-four years old.

BONNIE LEE'S NINE WINNERS.

Two Bells is the ninth winner produced by Bonnie Lee, a mare with only nine crosses to her pedigree and no Bruce Lowe standing. One of her sons, Yale, was a stake winner in England. Her son, Dr. Rice, and her daughters, On-the-Lea and Mary Street, were all stake winners. Her other winners are Palette, Startle, Fleeting Moments and Prince Lee.

JOHN L. INGLIS IS BEST.

WINS THE HANDICAP AT LATONIA, CONCEDED-ING WEIGHT ALL AROUND.

Lens Scores His Tenth Victory—Chief Millikin, Heavily Backed, Loses Through Interference at the Start—Gossip at the Track.

Cincinnati, O., August 18.—With a track fetlock deep in mud, one of the worst of the meeting, the program at Latonia today was reduced by scratches to horses with a fancy for heavy going, enough remaining in, however, to make the contests interesting. The odds quoted about John L. Inglis in the mile handicap were surprisingly liberal, due to the fact that with 110 pounds up he was asked to concede big weight to each of the other three starters, and it was not believed that he could accomplish the task. Wee Lass, on top of her half a dozen or more hard races recently, especially as she was asked to travel the mile route, was held at an unreasonably short price. She had some bad racing luck, being shut off on the first turn. That she did not win was simply because she was not good enough. She showed her usual speed and outfooted John L. Inglis up the backstretch, but the latter wore her down on the stretch turn and she dropped entirely out of it. Miss Doyle ran a game and consistent race. This fine, big mare ought to continue to improve. Pat Dunne's Lens, next to Planute the best two-year-old at the track, gave away lumps of weight to a speedy lot, outbroke them, outran them and won as his rider liked. Martha Gorman had a close call. If Roscoe had had a recent race in him he would have beaten her, as she was doing her level best all through the journey. Chief Millikin was one of the heaviest backed horses of the afternoon. If he had gotten away well no doubt he would have won. He collided with Fenian as the barrier went up and was so badly out of it by the time the field got in motion that it looked as though he had been left at the post.

Two Bells reared up and fell with Robinson while the youngsters were at the post in the first, bruising the boy's leg, but not sufficiently to prevent him from filling his engagements.

Horsemen were put to considerable inconvenience through the shutting off of the water supply, the result of a break in the Covington water works. The lake in the infield supplied water for the stables while water for kitchen purposes was obtained from wells in Latonia.

Jockey Sobell, who was injured last week in a steeplechase race, has had a number of delirious spells recently, and there is some apprehension at the hospital that these may cause brain trouble. In one of these spells he tore the stitches from his nose. Jost and Raines are doing well.

Ed Airey and Charles Bollinger were among the bookmakers today. The betting was heavy.

Whoa Bill bled after going a half mile and was eased up the last quarter.

After the finish of the last race jockey Buchanan's stirrup broke and he was thrown heavily. It was some time before Sand Bath was caught. Buchanan was fined \$25 by the starter in the sixth race for misbehavior at the post.

Free Booter struck himself in yesterday's race and is quite lame.

"WHEN IN DOUBT PLAY MILLER."

"When in doubt play Miller," says the Saratoga correspondent of the New York Sun. "This system of making racetrack visits remunerative has been advocated practically all summer, but never more than now has there been such a general inclination to follow the standard of the popular lightweight. The regulars here with but few exceptions are losers, for the form has been bewildering. Owners, trainers and layers have found their calculations, no matter how carefully made, untrustworthy, but the visiting element, the sort that in the old days stuck a pin in their program to find the winners, or backed a horse because the colors his rider was to wear matched the parol of the women that sat across the table, are rolling in wealth, winning day after day enough to pay expenses and a good margin over. Miller is really a marvel in the saddle. At the post he is in a class by himself. No matter how big the field is and how bad an actor he may be on you can count on his being away in the front rank when the barrier is sprung. At the finish there are several of his fellows that can more than hold their own with him, but it is in the early stages of a race that he makes them look ordinary."

RELAY RACE FOR COWBOYS.

One of the features of the Montana State Fair at Helena, October 1 to 7, will be a cowboy relay race for \$1,000 and the championship of the northwest. The roughriders of the country are now in the northwest, many of the range sections having passed into the hands of the farmer. This event is a recognition of the range rider that has not been afforded before, and the interest is growing. Under the conditions the race is for twenty-four miles, or four miles each day. The rider is to change his saddle from one horse to another at the end of each mile, without assistance. One man is allowed each rider to hold the mounts, and the bridle need not be changed. Thoroughbred racehorses are barred, giving the race to the speedy cow horse. The entries close September 10, and it is expected to be one of the greatest events of the year among the cowpunchers.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

R. M. H., Chicago. This newspaper always holds that such bets are losers, but some bookmakers pay them. Better inquire into the matter.

J. D. R., St. Louis. He is in good standing so far as we know. As to whether he was engaged to ride Nine or not we have no information. The other matter is purely a matter of opinion and, perhaps, best answered by the running of the horse on the occasion in question.

F. H. H., Chicago. Bannockburn was a superior racehorse; won the Sheridan Stakes at Washington Park and among others, The Turf Congress Stakes and Lissak Handicap, at San Francisco, running a mile in the latter event in 1:39, with 128 pounds up. In all he won twenty-nine races and defeated many of the best horses of his time. He was third in the St. Louis Derby and second to Inup in the Suburban Handicap.

Winner—Ch. c. by Ingoldsby—Hifalutin (trained by U. Z. DeArman).
Went to post at 2:22. At post 8 minutes. Start straggling. Won handily; second driving; third the same. Blondy outlooked the others and, from a striding start on the outside, had clear sailing and was reserved in a good position to the stretch, where he made good decisively. Miss Strome had a good start, steadily improved her position and finished with a surprising rush. Tenneco ran around on the outside on the turns and got away poorly, closed a big gap and was going like a cyclone at the end, running a cracking race. Anna May set the pace from a flying start, but tired right at the end. Vaquero had a rough journey and finished with a belated effort. Airs ran forwardly from the start and tired right at the end, but finished close up. Norfolk was outpaced and ran a bad race. Lucy Marie had no chance at the start. Battery Dan is a good looker that had no chance at the start and is worth watching. Hyperbole was sore and unfit to start.

Winner—Ch. g. by Grandmaster—Phillipa, by Dabehn (trained by G. Warner).
Went to post at 2:57. At post 1 minute. Start good. Won easily; second driving; third easily. Grandpa is in marvelous form, maintained a forward position throughout, and taking command in the last turn of the field, won practically as his rider pleased. El Cuchillo put up a brilliant effort, but two costly blunders contributed to his defeat, followed in nearest pursuit of the pacemaker, then took the lead, which he quickly relinquished to Grandpa, and never could get up again, but was fully as good as the winner today. Oentora, outpaced early and badly interfered with when The Lad fell, closed up considerable ground in the last mile of a game effort. The Lad fell early when running well.

Scratched—64055 Phil May, 154.

Winner—R. c. by Commando—Cinderella, by Hermit (trained by J. Rowe).
Went to post at 3:30. At post 2 minutes. Start fair. Won easily; second driving; third easily. Peter Pan outbroke the others, but relinquished his lead to Pope Joan and was reserved under a pull during the middle running immediately behind her, moved up when fully straightened for home, drew out in the last furlong and won going away. McCarter held a forward position from the start and moved up on the last turn, but was impeded by Peter Pan and could never get up after a brilliant closing effort. Pope Joan, away flatfooted, dashed into a long lead and made the running hard held to midway of the stretch, where she suddenly quit and can do better. Paumonok ran unexpectedly well throughout and is about due. Kentucky Beau broke slowly in close quarters, seemed tangled up and lacked his usual speed, held on moderately well, but was never dangerous. Hickory, after trailing in the early running, closed up like a cyclone in the last quarter and is very promising. Don Enrique worked through a rough early journey and sulked in consequence, but finished with a great rush. Sir William Johnson went well throughout, showed early speed, was running fast at the end and is about due.

Scratched—64097 Menthia, 24; 64156 Stray, 115.

Winner—B. f. by Meddler—Handspan (trained by J. E. Madden).
Went to post at 3:56. At post 2 minutes. Start good. Won driving; second and third the same. Tangle, very fit and luckily and forwardly placed for seven furlongs, was finally compelled to come on the outside on the stretch turn and seemingly was beaten when beginning the last sixteenth, but got up with a rush under belated use of the whip and was much the best. Gallavant, after being skillfully placed in closed pursuit of the pacemaker, was suddenly sent along into the lead when straightened for home and appeared the winner, but unexpectedly tired right at the end. Whimical made the running under a pull for a mile and then tired from lack of conditioning and will reverse this running. Go Between, on account of the slow early pace, ran prominently from the start and was unequal to last the three furlongs' sprint, but ran palpably short. Mohawk II. ran forwardly for seven furlongs and then dropped to the rear, ran a bad race and looked drawn and overdue.

Scratched—64097 Menthia, 24; 64156 Stray, 115.

Winner—Ch. c. by Solitaire II—Candid (trained by E. Wishard).
Went to post at 4:25. At post 2 minutes. Start good. Won in a canter; second driving; third easily. California King galloped leisurely to the front in the first quarter and held sway thereafter hard and was much the best. Bivouac, after being skillfully handled and placed in the early running, finished a game second and ran a very bad race for her. Oro, away poorly, improved his position gradually, earning an easing up third place and is in his best form. Tom Lawson got away badly and made up considerable ground. Realm essayed to keep pace with the winner for the first half and failed to stay. Arabo retired early. Gallant lacked his usual speed and ran very badly.

Winner—Ch. g. by Ben Strome—Ban Any (trained by J. Huggins).
Went to post at 4:57. At post 2 minutes. Start good. Won handily; second driving; third the same. Ben Ban, from a good outside start, was at once rushed up to the pacemaker, passed him on the far turn and gamely maintained his advantage to the end. Sir Russell was outpaced for the first half, but disused with a sensational stretch sprint and should have won. Nealon got away slowly, but took a good position early, closed up very fast in the stretch and appeared to have caught Sir Russell for second place, but very good and crowded repeatedly in the early running, finally retired under a bad ride. Toots Mook again failed to stay after a brilliant display of early speed. Bill Phillips is in present poor form and quit at the end of five furlongs. Hazelthorpe had no chance at the start.

Winner—B. f. by Maceo—Marion (trained by F. Kelly).
Went to post at 5:37. At post 6 minutes. Start bad. Won handily; second and third driving. Judith Louise away running and showing a liking for the going, opened up a long lead and maintained her speed well throughout, winning with a little to spare. Camp was a game runner, but was outpaced and finished going gamely. Triumphant ran a good race. McIntyre had a rough trip and closed a gap. Demo ran a bad race and seemingly disliked the stiff going. Hybrid swerved after going a quarter. Helnuith quit badly after going a quarter.

Scratched—64216 Avondor, 97; 64198 Lady Vimont, 100.
Overweights—Helnuith, 14 pounds; Two Bells, 2; Wee Kitty, 2.

Winner—B. g. by Filigrane—Minerva, by Vauxhall (trained by J. H. Shouldice).
Went to post at 3:04. At post 6 minutes. Start bad. Won easily; second and third driving. Knowledge liked the going, was close up all the way and, gaining steadily through the stretch, won

down the tiring and swerving Sorrel Top and won going away. Sorrel Top broke fully in motion, showed the most early speed and put up a good performance. Falkland began slowly, but stood a hard drive gamely and was going fast at the end. Lidwinia ran a good half before tiring. The others were always outrun and beaten off after going a quarter.

Scratched—64135 Toboggan, 107; 64200 Royal Legend, 105; 64183 Jigger, 107; 64241 Marsh Redon, 112; 62916 Pacifico, 107; 64200 Bellstone, 105; Junessa, 110.

Winner—B. c. by Farandole—Mago (trained by M. Goldblatt).
Went to post at 3:35. At post 7 minutes. Start good. Won easily; second and third driving. Fargo, favored by the going and running to his best form, showed the most speed and won all the way. Azora, running gamely, steadily improved her position and outstayed Chief Millikin. The latter was knocked back at the start, then closed a big gap and probably would have won with good racing luck. Whoa Bill was always outpaced and pulled up bleeding. Tom Tom ran a good race and stayed well in the final drive. Weberfields ran away a half at top speed while going to the post and this practically destroyed his chances.

Scratched—64199 Santon, 113; 64212 Loupy, 98; 57270 Speedmaker, 100.
Overweights—Fargo, 21 pounds; Fenian, 2; Lightburn, 14.

Went to post at 4:08. At post 2 minutes. Start good. Won easily; second and third driving. John L. Inglis ran forwardly from the start, wore down Wee Lass after going a half and came away in the stretch run, winning well in hand. Miss Doyle ran a good race and was taken wide most of the way, but finished fast and gamely. Mandator had a rough trip and was given a bad ride. Wee Lass was sharply interfered with and almost thrown on the first turn when John L. Inglis cut across, then showed speed, but quit badly after going a half, ran a bad race and probably has had too much of it lately.

Winner—Br. g. by Star Shoot—Queen Dixon (trained by F. Hanlon).
Went to post at 4:36. At post 1 minute. Start bad. Won driving; second and third the same. Lens, away running, set the early pace and raced Marmorean into subjection and, being best handled through the stretch drive, came away in the final strides. Marmorean liked the going and was a forward confender from the start, but was forced wide on the stretch turn and tired near the end. Levias, also lucky at the start, ran well and had little opposition for third place. Lexoline was almost left and had scarce chance of contention. The others were never serious contenders.

Scratched—64230 Chase, 100; 64239 Planute, 118; (64235) Zinfandel, 100; 64121 Sir Geoffrey, 98; 62134 Sister Huffman, 100.

MONDAY

I will start the ball rolling with one that has been trained off the grounds and has been working great guns. This one looks like the real candy and I want my One Best clients to go to it for their bankrolls. Don't let the price scare you. Just set it in to win and win only.

TUESDAY

A long shot sleeper that has been in pickle for a long time. With this one a killing is in view. They worked this fellow 7-8 in 1:28 flat the other morning and he was fighting for his head all the way. Here is a chance for my One Best Bet clients to clean up another big chunk of easy money and I want them all to plunge on this one for the limit.

THURSDAY

A maiden primed for a killing. On Thursday a maiden will be cut loose for a big killing and my One Best Bet clients will be in on the play. My arrangements with the parties in control will not permit of giving any further details at present. Get wise. All I will say is, if you miss this trick, you'll kick yourself for the rest of the Latonia meeting.

NOTE: I am the only horseman in this business that hands out long price winners and always make good. If you want short price horses, don't subscribe for my wire. The old method of playing favorites is a joke at this track and when my clockers cannot dig up a long shot sleeper for my clients that looks like ready money, I send no wires to my clients. When I know that I have the inside track and everything fixed right, I never overlook my clients. The above is a sample of my information the last three weeks. This statement can be verified by the Western Union Telegraph Company.

THE ART OF WINNING.

BY GEORGE LAWTON.

This remarkable book contains everything that is worth knowing and valuable as an aid to successful turf speculation, including a new, easy, quick, yet scientific, method of handicapping, the greatest winner picker of the age; also, several systems, new and original and the nearest approach to system perfection. The man operating the REALLY WINS, and an insignificant capital often proves sufficient. System No. 3, played upon a very small basis, recently won, in seven months, \$4,860, and REQUIRED A CAPITAL OF ONLY FIVE DOLLARS. Such cases are numerous. System No. 1 caused a man to be BARRED from many New York poolrooms, because of his wonderful winnings. Nothing in the book is old. It is simply chock full of NEW IDEAS, demonstrating the biggest of money-makers. By following its directions you may get back every dollar you've ever lost on the turf, and THEN GO ON AND WIN ALL THE MONEY YOU WANT. The question is not WHETHER you will win, but HOW MUCH you desire to win. Critics and delighted purchasers alike are praising these same NEW IDEAS. Every one is enthusiastic. Even J. S. A. Macdonald, turf editor of the New York Journal, says all kinds of good things. One man, who REALLY WAS MAKING MONEY ON THE TURF ALREADY, said he had to change a little and make use of the new ideas of our book. They would win MORE LARGELY. "The Art of Winning" has 146 pages, printed with new type, on paper of fine quality, is flexibly bound in black silk cloth, and the price is ONLY FIVE DOLLARS. For five dollars you can learn the SECRET OF UNERRING TURF SUCCESS. A complete descriptive circular will be mailed free on request, but it is unnecessary to write for this. JUST SEND US FIVE DOLLARS by registered letter or money order and WE WILL PROMPTLY MAIL THE BOOK AND IF YOU DO NOT FIND IT EXACTLY AS STATED RETURN IT AND WE WILL REFUND YOUR MONEY.
